

EduCare:

applications:-

Designed specifically to meet the needs of the pre-school, junior and senior educational establishments. EduCare provides the designer with a complete range of styles, sizes and colours to meet the needs of all age groups and environments.

EduCare:

applications:-

Working closely with the designer, EduCare provides for a range of materials and formats to ensure the needs of all ages and environments are catered for. Sweeping low height divisions and doors are a feature of the infants and junior ranges whilst full height systems provide the privacy required for senior school applications. The doors can be shaped to a range of standard profiles to add interest to the design.

manufacture:-

The EduCare range is manufactured from either a high-pressure laminate on a moisture resistant core for a hard wearing yet cost effective solution, or from 12mm solid laminate for the ultimate in durability. The divisions can either be full height or sweep downwards towards the back of the system in a gentle curve to allow for supervision and security.

dimensions:-

These dimensions are typical and for guidance only as our cubicle systems are designed to suit the clients specific requirements.

Typical cubicle height is 1950mm including adjustable leg (this is the height of the pilaster as other components may differ depending on requirements.)

Typical ground clearance is 150mm (adjustable from 125 – 175mm)

	Thickness	Height	Width
Partitions	12 & 20mm	800mm	1500mm
Doors			
• Infants	12 & 20mm	1050/1200mm	600 - 900mm
• Junior	12 & 20mm	1350/1200mm	600 - 900mm
• Senior	12 & 20mm	1800mm	600 - 900mm
Pilasters	12 & 20mm	1800mm	80mm (min.)

ironmongery:-

Style and efficiency combined with the strength of aluminium construction provides the specifier with a range of fittings that complement the cubicle range. A range of security fixings can also be supplied as optional extras should the environment demand it. Supplied as standard in a Satin Anodised finish, optionally fittings can also be provided in a powder colour coated finish if required.

Manufacturer

inscape: CUBICLES & WASHROOMS,
Lower Healey Business Park, Froom Street, Chorley, PR6 9AR

Range type:

EduCare
EduCare XL

Core material:
