capricio:

applications:-

Capricio is ideal for low traffic, dry areas which require an economical and flexible solution. Design potential is enhanced through the use of matching or contrasting 2mm high impact PVC edgings.

manufacture:-

The partitions and doors are manufactured from 19mm melamine faced chipboard in a wide range of decors and plain colours. The pilasters are manufactured from 36mm moisture resistant chipboard and post-formed to the front vertical edges in high-pressure laminates that match or contrast the door and partition colours. A post-formed headrail insert is supplied as standard.

dimensions:-

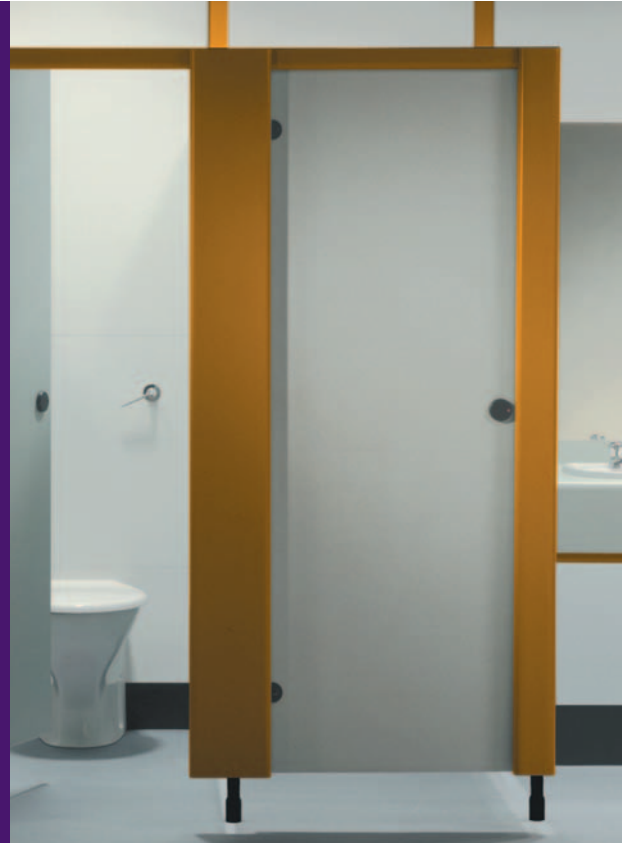

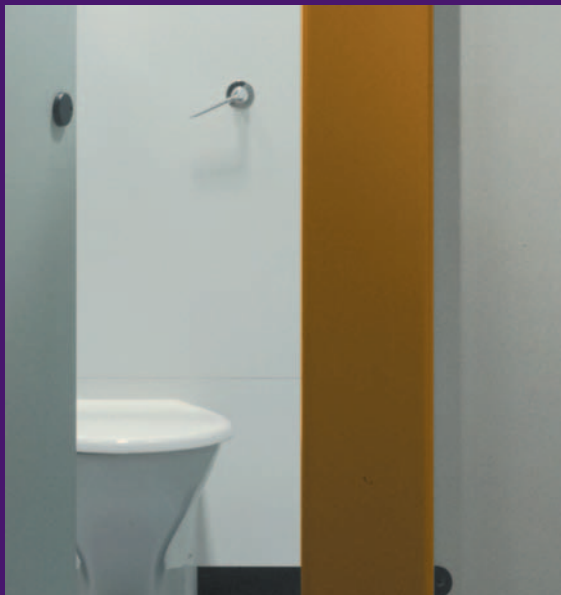

These dimensions are typical and for guidance only as our cubicle systems are designed to suit the clients specific requirements.

Typical cubicle height is 1950mm including the adjustable leg.
Typical ground clearance is 150mm (adjustable from 125-175mm).

	Thickness	Height	Width
Partitions	19mm	1800mm	1500mm
Doors	19mm	1800mm	600-900mm
Pilasters	38mm	1800mm	80mm (min.)
Headrail inserts	20mm	35m	to suit door gap

ironmongery:-

Style and efficiency combined with the strength of aluminium construction provides the specifier with a range of fittings that complement the cubicle range. A range of security fixings can also be supplied as optional extras should the environment demand it. Supplied as standard in Satin Anodised finish, optionally fittings can also be provided in polished aluminium or powder colour coated if required.
