industria:

applications:-

A fast-track cubicle for those situations that require a low cost system without compromising design flexibility and durability. Industria is highly suited to use in offices, retail environments, schools and industrial units.

manufacture:-

The Industria range is manufactured from 19mm melamine faced chipboard, whilst the Industria Plus uses high-pressure laminates on a moisture resistant core. Both systems are edged in 2mm impact resistant PVC to match or contrast the selected colours & designs.

dimensions:-

These dimensions are typical and for guidance only as our cubicle systems are designed to suit the clients specific requirements.

Typical cubicle height is 1950mm including the adjustable leg.
Typical ground clearance is 150mm (adjustable from 125-175mm).

	Thickness	Height	Width
Partitions	19 & 20mm	1800mm	1500mm
Doors	19 & 20mm	1800mm	600-900mm
Pilasters	19 & 20mm	1800mm	80mm (min.)
Headrail inserts	19 & 20mm	35mm	to suit door gap

ironmongery:-

Style and efficiency combined with the strength of aluminium construction provides the specifier with a range of fittings that complement the cubicle range. A range of security fixings can also be supplied as optional extras should the environment demand it. Supplied as standard in Satin Anodised finish, optionally fittings can also be provided in polished aluminium or powder colour coated if required.
